“IT is not here for the sake of IT—we’re here for the sake of the patient.”

– CHRIS WEBB,
DIRECTOR OF TECHNOLOGY
INFRASTRUCTURE, ENLOE
MEDICAL CENTER

SAVING LIVES WITH PATIENT-CENTERED INNOVATION

Whether it’s delivering mission-critical uptime for its regional trauma center, or minimizing the impacts of ransomware attacks with software-defined archiving, the IT team at Enloe Medical Center takes its dedication to the residents of Northern California personally.

OBJECTIVES

- Continually improve quality of care and range of services
